

Ein Ibrahim Community Garden

Tharaa Kirresh

Placemaking project

Mentor: Tareq Nassar

Goal & role

to take place-making to connect to small childrens

Current situation- Ein Ibrahim garden

Location

Umm Al-Fahem
Ein Ibrahim neighborhood

Imagery photo - Ein Ibrahim garden

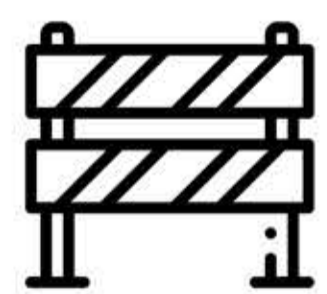

Why this place?

Report of number of mothers on painful accidents of their kids because there is **NO** proper place for small kids to play

Challenges and barriers

- mistrust between residents to officials
- Previous experience did not last long success in the garden due to municipal negligence and vandalism

Potential

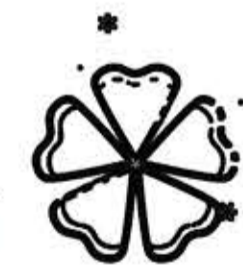

- Aready development budget from mifaal habais (500,000 NIS)
- Already designated land for open public spaces.
- Neighborhood garden

Social, imaginative play

(Comfort & green)

- Engaging with street art
- Planting
- Story telling seats
- Reused material

sensory exploration, and manipulation

(playful)

- Chalk boards
- Sandbox
- Natural Play Elements
- Fencing

Freedom of Movement

(Accessible)

- Sidewalk & crosswalk
- Benches
- Continuous borders and planters
- Ramps, safe crossings & lane markings

Physical challenge

(playful)

- Tyres Hill
- Climbing & jumping
- Rocks & trees

Methodology

what makes good place for playing?

what makes good place?
